

# Top 10 reasons you need EMC MozyEnterprise

- 1 You do not have a consistent strategy for backing up desktops, laptops, and Windows servers.**  
Not backing up your computer systems opens the door to huge losses in revenue, reputation, and liabilities.
- 2 Backing up remote and branch offices is a major headache.**  
The EMC<sup>®</sup> MozyEnterprise<sup>™</sup> backup software may be configured, deployed, and centrally managed via an easy-to-use, web-based, multi-tenant administrative console.
- 3 You want a reliable offsite backup solution that works.**  
The award-winning MozyEnterprise software, combined with EMC's 25 years of market leadership in storage solutions, means you enjoy worry-free backup.
- 4 You don't have months or years to roll out a backup solution.**  
Easier and faster than an in-house deployment, MozyEnterprise can be deployed to thousands of users in less than two weeks.
- 5 Your IT staff and budget are already overextended.**  
MozyEnterprise frees up your valuable in-house IT resources for productive use in core revenue-generating activities. TCO studies show a savings of 30 percent or more over do-it-yourself offsite backup solutions.
- 6 You don't want to pay for software you aren't using.**  
We're flexible. Tell us how many licenses and how much storage you need and that's what you pay for.
- 7 You want a full backup solution without the onsite integration and maintenance hassles.**  
MozyEnterprise requires no integration with your existing infrastructure. EMC manages the software, infrastructure, and data center space.
- 8 You aren't willing to compromise security for convenience.**  
MozyEnterprise leverages industry-leading RSA<sup>®</sup> security for authentication and authorization, along with 448-bit Blowfish encryption and 128-bit SSL to protect your data during transfer and storage.
- 9 You want a set-and-forget automatic backup solution that you don't have to constantly monitor.**  
You can schedule your backups to run daily, weekly, or monthly, or automatically throughout the day, as frequently as every two hours.
- 10 You have a limited budget to spend on backup and prefer a simple payment plan.**  
MozyEnterprise requires no capital expenditure for hardware, very little upfront cost, and minimal administrative overhead to maintain. All you pay is one simple monthly subscription payment.
